About MTC and Our Cast Members

The Musical Theater Center (MTC) is one of the region's most respected performing arts educational organizations and the only one in the region with a focus on the musical theater genre. We are extremely proud of the high standards we set for our musical productions and our classes, which are reflected in the caliber of our talented cast members. Many of them have been on stage in various area productions starting as young as age 5. They study dance, voice, and acting at MTC and other studios.

MTC students have a reputation for professionalism. Their talents are often in demand for professional theater and community productions. Some have performed on Broadway and with national touring companies, at the Kennedy Center, Ford's Theatre, Olney Theatre Center for the Arts, Toby's Dinner Theatre, Signature Theatre, Studio Theatre, and other area theater companies.
